

I am truly sick and tired of telemarketers calling me. I get more pre-recorded calls and telemaketer hang-up calls everyday. Everyday I get home and my caller id shows at least a half dozen "out of area" with no phone number calls. This is daily! There should be NO EXEMPTIONS to the national do-not-call list, even for tax exempt callers. When I get home in the evenings and am trying to get things done on the weekends because I work I DO NOT want to be bothered with calls from telemarketers. Tax exempt organizations calling me looking for a donation are a complete turnoff! I resent these intrusions into my life and do not in any way appreciate these annoying phone calls.
